

CLOVER TIMES

ITS OFFICIAL!!! Clover Senior and Home Health has been officially approved to begin conducting CNA and HHA Certification Courses!! This is a very big step forward in our efforts to grow and provide superior care to our current and future clients! For more information on registering for a course, please visit www.clovercares.com/academy.

I want to thank all of our staff and our clients for allowing Clover to be a part of your lives. We are delighted to be able to provide meaningful jobs that serve the senior and disabled population and we are indebted to all of our clients for giving us the opportunity to care for them. You all mean so very much to us!!! THANK YOU:-)

We are doing some amazing things here at Clover this year. We recently obtained our Medicare certification so that we can serve the Medicare population through the skilled side of our business - Clover Home Health Care, we are currently hosting a Home Health Aide (HHA) certification course taught by registered nurse Stephanie Moore, AND we recently were accredited by the state of Indiana to be a Certified Nursing Assistant (CNA) school called CLOVER CNA ACADEMY. We purchased our new space 2 years ago with the vision of being able to have a training apartment onsite so that we can provide in-depth, hands on training to our staff. We have already hosted one HHA class and we will be offering the CNA classes in the Spring of 2024. We are thrilled to be able to host Home Health Aide Certification classes and CNA accreditation classes!!!

Thanksgiving is a time of year to spend with family and friends, to give THANKS for all of the blessings in our lives, and to have a day of rest. I hope that each and everyone of you have the most wonderful Thanksgiving Day. I would like to share with you my Grandma Violet's southern apple pie recipe. My daughter and I make it every year for Thanksgiving in memory of her:-)
